

Harding Charter Preparatory High School Eligibility

Any student competing in any extracurricular activity must maintain scholastic eligibility in order to participate. Scholastic eligibility is defined for every student, including incoming ninth graders and transfer students, in the same manner.

At the beginning of a new semester, scholastic eligibility is defined as receiving a passing grade for all subjects he/she was enrolled during the last semester. If a student does not meet this requirement, he/she is not eligible to participate during the first six weeks of the next full grading period.

Any student who failed a class in the 2010 Spring Semester is ineligible to participate until Monday, September 27, 2010

During a semester, scholastic eligibility will be checked after three weeks of the start of the semester and each succeeding week thereafter. These grade checks will be run every Wednesday. The period of probation and ineligibility will always begin the *following Monday and end on Sunday*.

A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in on the day of the grade check, he/she will be placed on probation of the next one-week period. If a student is still failing one or more classes during the next week on the grade check day (even if it is a different class than the prior week), he/she will be ineligible to participate during the next one-week period. A student will not regain eligibility until he/she is passing all subjects on a day of grade checks.

During a week of **probation**, a student may still participate in practices and competitive events (games, competitions, etc.)

All probation and ineligibility periods run from Monday to Sunday following the date of the most previous grade check. Even if a student regains a passing status the day of a grade check, he/she is not able to participate until the following Monday.

An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of three weeks.

Incomplete grades and no credits will be considered to be the same as failing grades in determining scholastic eligibility.

A passing grade is defined as making a D or higher.

WARNING:

Any student who fails a class in the 2010 Fall Semester will be ineligible until Monday, February 14, 2011.
